SKILLS

HTML CSS JavaScript

React Bootstrap NodeJS

MySQL Heroku

MongoDB

EXPERIENCE

BARTENDER • WOOD'N'TAP • AUG 2021-PRESENT
Working under pressure to ensure the needs of guests are met. Working within a team but also alone to meet the goals of the restaurant within a given shift.

RURAL CARRIER • UNITED STATES POSTAL SERVICE • AUG 2014-AUG 2021
Worked in the regional office sorting mail and parcels. Delivered on several routes within the allotted time frame each day, often finishing ahead of time.

BAR MANAGER • SEASONS AT OAK LANE• APR 2012-FEB 2015
Managed a team of 15. Verified sales of team members and worked with owner to ensure all accounting for the day was accurate. Took inventory and ensured all needed items were in stock on a weekly basis. Wrote weekly schedule for all team members to accurately staff for events and weekends.

EDUCATION

FULL STACK CODING BOOT CAMP CERTIFICATE • MARCH 2022 • UNIVERSITY OF CONNECTICUT
Built websites using JavaScript, HTML, and CSS. Lead teams of four to complete front-end development while overseeing and consulting with back-end developer. Specialized in working with React to build single-page websites. Excels in using CSS to style websites that appeal to modern tastes and styles in the corporate world and for individuals promoting small business.

A.S. COMPUTER SCIENCE • IN PROGRESS • GATEWAY COMMUNITY COLLEGE
Worked to gain a basic knowledge of computer functions before committing to an accelerated coding boot camp.
